Description

Your Guide to the Ancient Paths of Spirituality

Here is a comprehensive guide to the mythology and magickal practices of more than twenty different cultures from around the world. Explore a wide variety of alternative spiritual paths such as ceremonial magick, witchcraft, shamanism, and Qabala. Develop your own rituals and practices based on a firm understanding of the underlying principles that make magick work.

Read about the fascinating secrets of the Incas, Aztecs, and Maya. Study the legends of the Norse and the enchanting lore of the Celts. Experience the subtle wisdom and powerful magick of Africa, India, and China. Beginning students and advanced practitioners alike will find Magick of the Gods & Goddesses to be a ready reference for getting acquainted with the old gods and calling upon their power effectively.

Magick of the Gods & Goddesses reveals the spiritual legacy of the ancient world. Embrace the old ways and make them new again. Discover practical methods of establishing a magickal connection to the angels, elementals, and archetypal deities. Learn how to tap into the living energy of the old gods to enrich, empower, and transform your life.
