## Oracle Cards: Messenger Oracle

---

Messenger Oracle strengthens our ancient bond with nature and spirit. These cards are infused with the magic of ancient dragons, elemental fae, mystical trees, and their animal kind—they are the “messengers” who are here to guide us back to our true nature and to help us express our inner truth.

The 75-page instruction booklet provides inspirational messages for each card and three different card spreads, including an original Gaia Tree Spread.

**Ravynne Phelan** (a.k.a. Michele-lee Phelan) created artwork for Mythic Oracle of the Greek Pantheon, and Oracle of the Dragonfae. Ravynne's artworks are vibrant and powerful portals to the Divine. They are full of exquisite detail and bright with potent magical energy.
