Description

Based on the structure of the Rider-Waite Tarot, this uniquely expressive deck features magical imagery presented in deep, saturated colors. The borderless 78-card deck allows the details of tarot scenery and symbolism to be viewed from a close, intimate perspective. Morgan-Greer Tarot draws the reader into its evocative artwork. When laid out in a spread, the full scenes on borderless cards create a beautiful picture.

The Morgan-Greer Tarot is the first modern tarot deck based upon the combined research of tarot leaders Arthur Edward Waite and Paul Foster Case. The Case book was used a primer by artist Bill Greer in choosing the colors for the Morgan-Greer deck, so as to "create an emotional reaction to each card even before the image could be looked at in depth."
