Description

Botanical Name: Commiphora species

Distillation Method: Extracted from the resin using a solvent (IPA), which is then removed.

Use in a lotion, for massage, and with a diffuser.

Magickal Uses: Spirituality, Magick, Meditation, Peace, Purification

Scent Characteristics: Warm, earthy, woody, balsamic, with a slightly spicy medicinal scent.

Warning: Keep out of reach of children. Highly concentrated, dilute properly before use. Keep away from eyes & mucous membranes. Not for internal use. Not to be used during pregnancy or while nursing.

Packaging: To preserve and maintain their beneficial properties for years, Starwest essential oils are packaged in light resistant, dark glass amber bottles. They are fitted with a dropper insert that allows a small amount of product to be dispensed, with a tamper-evident child-resistant lid. These elegant bottles are the perfect way to protect light-sensitive liquids like essential oils, because the dark amber glass helps prevent light degradation.

Storage: Best stored away from light and heat. If stored properly, essential oils will maintain their maximum beneficial properties for many years, with a minimum 5 year shelf life.
