Description

The mystical element of water is associated with both life and death, as a herald of hope and a harbinger of destruction. Who better, then, to ask for guidance and inspiration than the spirits of water themselves, the Water Fae? This unique oracle deck collects the wisdom and insight from mermaids, sprites, nymphs, and more—to help us comprehend and embrace the dual nature of water. Myths & Mermaids contains 44 captivating cards with the artwork of world-renowned artist Jasmine Becket-Griffith. The illustrated 120-page guidebook presents wisdom, advice and instructions for using the cards in simple spreads and complex divinations.
