Description

In the early twentieth century, legendary horror writer H.P. Lovecraft described an ancient tome as "the unmentionable Necronomicon of the mad Arab Abdul Alhazred . . . a book which I had

never seen, but of which I had heard monstrous things whispered." In the early twenty-first century, best-selling author Donald Tyson wove the myriad rumors and whispers of Lovecraft's dread grimoire into the epic fantasy novels *Necronomicon* and *Alhazred*. Intended as a trilogy, this tarot completes Tyson's formidable work.

The *Necronomicon Tarot* brings the phantasmagoric desert wanderings of *Alhazred* to life in a stunningly visceral deck and companion book. Seventy-eight captivating illustrations by fantasy artist Anne Stokes capture the mythic and monstrous world of Tyson's *Necronomicon* while remaining true to the underlying structure and tradition of tarot. Prepare to enter a world where the accursed and tormented poet wanders in search of the greatest and darkest magic — divination with the dead.

This kit includes 78-card tarot deck and 240-page companion tarot book.
