Description

English, German, Dutch, Icelandic, Danish, Norwegian, and Swedish peoples are all directly descended from this ancient Germanic cultural stock. According to author Edred Thorsson, if you are interested in living a holistic life with unity of body-mind-spirit, a key to knowing your spiritual heritage is found in the heritage of your body-in the natural features which you have inherited from your distant ancestors. Most readers of this book already "speak the language" of the Teutonic tradition.

Northern Magic contains material that has never before been discussed in a practical way. This book outlines the ways of Northern magic and the character of the Northern magician. It explores the theories of traditional Northern psychology (or the lore of the soul) in some depth, as well as the religious tradition of the Troth and the whole Germanic theology. The remaining chapters make up a series of "mini-grimoires" on four basic magical techniques in the Northern Way: Younger Futhark rune magic, Icelandic galdor staves, Pennsylvania hex signs, and "seith" (or shamanism). This is an excellent overview of the Teutonic tradition that will interest neophytes as well as long-time travelers along the Northern Way.
