Description
Om Nag Champa - Superb Quality Incense at an unbeatable price! - Many of our Customers tell us that it's actually better than Satya Sai Baba Nag Champa... it burns longer, cleaner and smells even smoother - why not give it a try and decide for yourself?

This is Om Nag Champa a classic Indian incense made in the traditional masala method of blending fragrant oils, forest herbs, flowers with the finest quality resins and hand rolled with perfection. The result is a soft incense that always remains moist and burns very slowly, leaving a long lasting scent. This incense is commonly used for meditation, yoga and relaxation but will enhance any environment.

If you don’t want to burn it, it will still act as a room freshener or puncture a box and place it under a car seat as an air freshener, then when the fragrance has lessened it will still come out in the smoke when you do burn it.

Each stick is about a gram, and burns for 45 minutes.

15 grams - approximately 15 sticks.
