### Description

The word Om and the ancient sanskrit symbol represent the sound vibration that created the universe.

This incense is a blend of oil combined with the finest natural resins, honey and wood powders.

A fair trade product made with sustainable natural materials, hand crafted in India.

### Directions for use:

- 1) Light the tip of the incense and let it glow.
- 2) Blow out flame.
- 3) Place incense stick in an incense burner.
