Description

Enhance Your Tarot Skills and Expand Your Spirituality by Delving Deeper into Each Card's Story

Just as using a tarot deck is a journey through a story, so is pathworking a journey through an inner landscape to find higher awareness and spiritual growth. This practical book's approach to pathworking will deepen your connection to the cards and encourage you to evolve spiritually. As you pathwork through the deck, you'll learn how to meditate on your readings and uncover so much more than you thought you could.

Leeza Robertson introduces you to three pathworking styles: intentional (intentionally selecting cards based on theme), intuitive (letting the cards guide you), and wandering (combining a little of both the intentional and intuitive styles). Using straightforward techniques and hands-on exercises, she guides you through the seventy-eight cards and the stories they tell. This remarkable book inspires you to go further, deeper, and wider with your tarot practice and find spiritual enlightenment through new experiences with your deck.
