Description

Virginijus Poshkus has successfully undertaken the task of re-colorizing an iconic tarot deck and enhancing the beloved artwork created by Pamela Colman Smith. His carefully chosen palette of vibrant color brings new energy and radiance to the 78 cards of the Rider-Waite® Tarot. The updated look replaces Smith's thick, black outlines with subtle shading that gives depth to the familiar scenes. Radiant Rider-Waite's enhanced brightness highlights the traditional symbolism that readers rely on for insightful readings. The card backs have also been given the fresh new look of a star-filled deep, blue sky. Radiant Rider-Waite Tarot includes an instruction booklet with an Introduction by Stuart R. Kaplan.
