Description

We must excavate the layers of her myth, decode the meaning of her symbols, and seek to restore the significance of her very name.

Although she has a mythology around her, and has many modern-day devotees, nowhere in ancient lore has she been identified as a Goddess. There are no known ancient prayers or rituals in her honor. We have no known cult centers or devotional altars dedicated to Rhiannon.

How then do we approach this revered Lady? How can we best know her as Goddess? We cannot pursue her directly, for the seemingly slow and steady gait of her magnificent white mount ever outpaces even the swiftest of steeds. We need but call to her, and ask for what we need... be it her bag of plenty, the soul-healing song of her birds, or the empowerment of the sovereignty she holds, when you call to Rhiannon, the Divine Queen of the Britons, know that she will stop... and know that she will answer your call.
