Description

This exceptionally popular and groundbreaking deck combines photographs, computer imaging, and traditional drawing techniques to create stunning images. Drawing on the sacred sites and Pagan heritage of Britain and Ireland, the symbols of the Sacred Circle Tarot unlock the deepest levels of Pagan teaching.

The imagery of the cards is designed to work on a number of levels, serving as a tool not only for divination but to facilitate meditation, personal growth, and spiritual development. The major arcana is modified somewhat to fit the pagan theme of the deck. For example, "The Fool" becomes "The Green Man," "The Hierophant" becomes "The Druid," and "The World" becomes "The World Tree."

Enter the sacred circle and experience a dawning of consciousness harkening back to the bards of Celtic lore.
