Description

To accelerate this emerging awareness, this stunning 49-card deck and its comprehensive guidebook offer easy access into the chakra system. With illustrations created by an expert in the Tantric tradition and a guidebook grounded in authors' research, training, and working knowledge of oracles, this deck and book give you the right tools for advancing your personal quest. Understand your key qualities by engaging your vibratory energy, looking within to interpret your body's sensations, thinking process, emotions, and pathways of Spirit, including your inner and outer awareness. Discover detailed, helpful spreads; find out how to awaken your third eye; and start reading right away with a keyword reference guide. This unique chakra deck will help you dive into the ancient well of Tantric wisdom and is appropriate for all levels of card readers, including Tarot readers, yogic practitioners, counselors, and healers.
