## Description

A spicy floral scent. Genuine Satya Sai Baba Incense Export Quality Incense at an unbeatable price!

This is Satya Sai Baba Super Hit is a very popular Indian incense made in a traditional masala method of blending fragrant oils, forest herbs, flowers and spices hand rolled with perfection. The result is a soft incense that always remains moist and burns very slowly, leaving a long lasting scent. This incense is commonly used for meditation, yoga and relaxation but will enhance any environment.

If you don't want to burn it, it will still act as a room freshener or puncture a box and place it under a car seat as an air freshener, then when the fragrance has lessened it will still come out in the smoke when you do burn it.
