Description
**Genuine Satya Sai Baba Nag Champa - Export Quality Incense at an unbeatable price!**

This is Satya Sai Baba Nag Champa a very popular Indian incense made in a traditional masala method of blending fragrant oils, forest herbs, flowers and spices along with Vibhuti and hand rolled with perfection.  The result is a soft incense that always remains moist and burns very slowly, leaving a long lasting scent. This incense is commonly used for meditation, yoga and relaxation but will enhance any environment.

If you don’t want to burn it, it will still act as a room freshener or puncture a box and place it under a car seat as an air freshener, then when the fragrance has lessened it will still come out in the smoke when you do burn it.

Each stick is about a gram, and burns for 45 minutes.

15 grams - approximately 15 sticks.
