Description
Earth - use to honor or represent the element of Earth, or draw upon its elemental qualities.

Containing no animal products and not tested on animals, these candles are 'crafted' only from all-natural herbs, oils and minerals, chosen for their specific magickal properties. Even careful consideration is given to the color of the candle to ensure that it harnesses the appropriate elemental energies.

When contained in an appropriate candle cup or holder, our scented votives will burn for up to 15 hours, making them exceptional value for money.

Please note, as these candles are hand-crafted from natural ingredients, color variation is entirely natural and to be expected.
