Description

Spirits communicate with us every day, especially the spirits of our loved ones—but are you tuning in to them? Secrets of Spirit Communication is your go-to guide for identifying and interpreting the signs, symbols, and synchronicities around you. Whether it's an object, sound, scent, dream, or pattern, this book will help you understand what it means and how to respond.

Featuring numerous stories of real-life spirit contact, Secrets of Spirit Communication also provides techniques and exercises for raising your awareness of spirits and effectively communicating with them. You'll learn about meditation, power animals, how to use altered states, and the five main methods to fully engage with spirit: awareness and recognition, intention, summoning through desire, requesting, and incubation. This inspiring book makes spirit communication comfortable and easy, helping to confirm that those in spirit are right beside you.
