Description

You're looking for someone to share your hopes and dreams with, someone with whom you share an eternal bond—your soul mate. Or maybe you're one of the lucky ones who have already found their other half—and you want to make sure the relationship lasts.

Popular metaphysical author and hypnotherapist Richard Webster has regressed hundreds of clients back into their past lives. He has discovered that, somewhere out there, everyone has a soul mate. And finding your soul mate isn't an impossible dream—you just have to be ready.

Soul mates enter our lives at the right moment—the time when we are physically, mentally, emotionally, and spiritually prepared to meet them. As you progress through *Soul Mates*, you will:

- Explore the theory of reincarnation, karma, and the soul
- Perform meditations and exercises designed to help you open yourself to love and attract your soul mate
- Read actual case histories of soul mates from the author's private hypnotherapy practice

The two of you have been together countless times before. You may have enjoyed a passionate romance in ancient Egypt, medieval England, or Renaissance Rome. You may have spent pleasant lifetimes in the Holy Land, Thailand, or Russia. You found your soul mate then. You can do it again in this lifetime. The purpose of this book is to help you find—and then keep—this special person. Discover for yourself that the soul mate bond goes beyond "Til death do us part"—for true love never dies.
