Hand-'crafted' Scented Votives: Candle Club Monthly Subscription

Description

As many of you may know, The Awareness Shop has earned an enviable reputation for having some of the best votive candles that you can buy. Made in small batches from only the very finest ingredients, each candle is individually hand-poured and magickally charged within a sacred space by Anton and his apprentice, Dani.

Over the years, our candles have become seriously popular, so much so that it's hard to keep up with demand on occasion.

But now you can assure that you never run out of these wonderful candles by joining our Candle Club.

Each month you'll receive a selection of 11 hand-poured votives - You chose your 8 favorites (from what's available) for a subscription of just \$25* per month and we will also include special, limited edition candle(s) made exclusively for our subscribers and not available in store.

We'll give you a call each month, prior to packing up your subscription, so you can let us know your picks - That way you can change it up each month as the mood takes you.

\$5.00 flat rate shipping to anywhere in the USA, or if you live close by, you can come in and hand pick from our 120 choices.

**Plus Sales Tax where applicable. Paypal or Credit Card required. Cards will be charged and kits shipped on the 5th of each month. If you prefer to pay cash and collect your candle selection each month, you may do so. Subscriptions will be available for pick-up from the 1st of each month until close of business on the 4th. If you do not collect your candles in this time, your Credit Card will be charged and your box will be mailed to you on the 5th. Subscription cancellations must be received by the 25th in order to be effective for the following month. If received after this date, your cancellation will not take effect until two months following and your card will be charged & candles shipped as normal.*
