Description

The guidebook employs a Birth Card system that forms a frame of reference for opportunities and challenges you will face during your life span. The tool of affirmations has been interfaced with the energy of an individual's Birth Cards to form a powerful avenue for personal transformation. Using the archetypal imagery of the Tarot, affirmations allow individuals to become co-creators in their own lives, to define what they want to manifest, and to then successfully manifest it. Combined with images from the stunning Tarot Lovers' Tarot, this is the ultimate tool for understanding yourself, your loved ones, coworkers, and friends. For all reader levels.
