Tarot Decks: Tarot of the Night

Description

Everything is not as it seems in the dark of uncertainty, but if you look close, the details will come to life and the answers will be revealed. Included is an easy-to-follow, comprehensive companion guide that supplies a method of applying the Tarot to the questions you have about your life, offered in a conversational tone for the novice and experienced alike. Rounding out with a detailed understanding of familiar Tarot spreads, and a unique, original spread for self-evaluation (Vincit Omnia Veritas – Truth Conquers All), you will have a complete and enlightening experience. Don't let the creatures of the night frighten you – in Tarot of the Night, they are here to help.
