Description

With its 78-card pack and instructional booklet to guide your readings, this kit is ideal for Tarot novices. Each card features a full description of its meaning and advice on how to interpret it in various situations—like love or work. Easy-to-follow sample readings give real-life examples of how the cards were dealt, and what they signified in that instance. It's the perfect gift for beginners, for mystics, and for Tarot collectors.
