Description

Experienced and beginning Tarot readers alike often struggle with interpreting cards when they're upside down.

Struggle in the dark no more. Respected Tarot scholar and author Mary K. Greer sheds light on the subject in *The Complete Book of Tarot Reversals*, the first book in Llewellyn's new Special Topics in Tarot series. This series was created in response to an increasing demand for more Tarot books on advanced and specialized topics.

Reversals are not black and white—there is more than one way to interpret them. Explore these shades of grey with the twelve different methods for reading upside down cards. Upright and reversed interpretations for each of the 78 Tarot cards offer inner support, positive advice, and descriptions of the learning opportunities available, yet with a twist that is uniquely their own. Stimulate your intuition and deepen your connection to the cards as you explore the flip side of the Tarot.
