Description

The nodes are not planets, but the points on your birth chart where the orbit of the Moon around the Earth crosses the ecliptic. The nodes are the key to understanding your spiritual purpose for this lifetime. The South Node reveals the lessons, talents, and abilities you mastered in past lives, while the North Node shows you how to best use your past-life skills for spiritual growth, happiness, and success in this life.

The Complete Node Book presents a new and empowering perspective on the nodes. It defines and analyzes the specific lessons and challenges presented by each of the 144 possible placements of the nodes. Both sign and house placement of the nodes are considered for extraordinarily insightful and accurate interpretations.

For beginning astrologers, this guidebook provides easy-to-find personal interpretations and a free birth chart offer. For advanced astrologers, it will serve as the definitive reference manual on the Moon's nodes.
