### Description

"The Complete Tarot Kit includes everything needed for beginner to intermediate students. The book within the kit is an excellent instruction guide. Susan Levitt's teaching and writing style makes learning the tarot so easy for those new to the tarot and for intermediate tarotists, as well. If I had this kit when I began my tarot journey, I would have had a firmer foundation built more quickly than I did. The kit is a well created resource, and a valuable asset for beginners, intermediate, and collectors alike." —Sheila Hall, Vice President, American Tarot Association

Includes:

- Special Edition Rider-Waite® Tarot Deck (78 cards)

## Tarot Decks: The Complete Tarot Kit
