Description

The Crystal Tree combines the mystery of the Kabbalistic Tree of Life and the magic of gemstones. By interpreting patterns between the stones and the sephiroth of the Tree, you can find answers to perplexing questions or gain insight into yourself and your relationship with others. The inner meanings of the stones and the Tree of Life are revealed, and combinations that are likely to show up in your readings are interpreted on four different levels: physical, psychological, spiritual and as the Shadow.
