### Description

Bring ancient Druid plant and herb lore into your life. The Druids revered certain plants - including trees, herbs and fungi - and attached special meanings to them. This stunning deck of 36 cards presents many of the most significant plants and describes their associated folklore and mythology.

Will Worthington's rich images depict each plant in its natural habitat in exquisite detail, while Philip and Stephanie Carr-Gomm's enlightening text reveals the virtues and qualities of each species, and shows how the cards can be used as an oracle from which you can gain wisdom, guidance and inspiration.

- Authors and artist are leading figures in Druid and pagan movements
- Each card a stunning work of art
- Companion to The Druid Animal Oracle
