Description

Providing clear keywords and playing card associations, learn traditional Lenormand and ancient Egyptian meanings for each card or combination of cards. Each image has been infused with special energies that can be activated at a reader's discretion to be used also for healing and magic. Not only are card interpretations explored, but the activation process and health associations are explained, thereby allowing the reader to serve as a conduit for healing energy for the self, a loved one, friend, and even pets and the environment. Also learn to use this particular deck as a magical tool of intention with the employment of ritual and interpretation, which is unique to this deck. The Egyptian Lenormand will take you to ancient times to deepen your spirituality.
