Description

Explore via this lavishly illustrated 78-card Tarot deck and unique, comprehensive guidebook the complex tapestry of five historically significant secret societies and the universal thread that weaves itself through all of them: the Tarot. The Priory of Sion (Majors), the Rosicrucians (Cups), the Freemasons (Swords), the Martinists (Coins), and the Golden Dawn (Wands) are all clandestine fraternities that have not only wielded direct influence on Western mysticism but have also exerted global influence, both politically and socially. In this comparative study of fellowships and Tarot, examine the history and imagery relating to each card, in-depth card meanings, and specific keywords that will assist you along your own mysterious path. How will your life connect with the mystifying—at times cloak-and-dagger—world of secret societies?
