Description

Using the Minoan palette from the ruins of the temple complexes and cities, the artwork was created entirely by hand, inspired by beautiful works of art from ancient Crete. Connect with the mysterious snake priestesses, labyrinthine temple complexes, and courageous bull-leapers. Explore gender-balanced face cards reflecting the egalitarian nature of Minoan society that makes this deck especially relevant for modern users: Priest and Priestess, Lord and Lady, Youth and Maid. Each card displays symbols from an ancient writing system and keywords reflecting literal
