### Description

First published in 1989, The Mythic Tarot deck has been an international success with tarot readers for over 25 years. New life has been breathed into this classic deck with all new illustrations by Giovanni Caselli. The Major Arcana card illustrations depict the gods and goddesses, heroes and heroines of classical Greek mythology. These familiar archetypes reflect our own life patterns and experiences. The images are rich in psychological insight, providing wisdom and guidance for seekers of personal growth. The Minor Arcana are presented in the form of stories that accompany each of the four suits, each relating to a different sphere of life.

The expertly written 256-page illustrated book guides the reader through the myths, the imagery and symbolism of each tarot card, and the meaning of the card at both the inner level and the divinatory level. Instructions are given for the Celtic Cross spread and a Planetary Spread with sample readings.
