And, by following a few basic instructions at the beginning of this book, anyone can immediately use a pendulum to answer his or her questions, to identify problem areas in physical health, to see where he or she is blocked, and what might come next in life.

The 38 charts help readers sort through issues of mind, body, spirit, relationship, and work. They identify herbal teas that may be ameliorative, gems that may bring success, and much, much more.There is a wealth of information in these short pages.

For anyone- beginner or expert- interested in working with pendulums, The Practical Pendulum Book will soon become a don't-leave-home-without-it resource!
