Description

"Devin Hunter's new book digs deeply into the roots of what makes a witch powerful. He doesn't gloss over the soul-searching work with simple spell "bandaids." Instead, he offers readings and exercises that empower the witch in mind, body, and soul."—Courtney Weber, author of Brigid: History, Mystery, and Magick of the Celtic Goddess

Witchcraft isn't always about the search for enlightenment; sometimes it's about power and the path to obtaining it. The Witch's Book of Power shares the secrets to unlocking the Witch Power within you, offering specific techniques for working with personal, cosmic, and ally energies to realize your full magical potential.

Professional witch and psychic Devin Hunter has helped thousands of people discover their power and gain influence, and in this book he skillfully explores the concepts behind creating magic that can change your life. The Witch's Book of Power is the perfect resource for witches who intuitively feel that more power is available but seems to be just beyond reach.
