Description

With more in-depth explorations of nature magick and divination, this beautifully illustrated guide to witchcraft is a must for all Wiccans in search of greater knowledge. It covers everything from hedge witches to druids; working with cosmic helpers like angels, gods and goddesses, and spirit guides for a variety of spells; nature magic—from drawing down the moon to psychic plant power; tapping into cosmic power; and developing your sixth sense, mastering tarot, using angel numbers, and spiritual astrology. An FAQ section at the end answers the most-asked questions about the craft.
