Description

Force field, big time protection stone, protection of all kinds, grounding, disperses tension and stress, clears negative thoughts, promotes laid back attitude, stimulates practical creativity...

Suggested Chakra: Base.

Color: Black with striations or black needle-like lines.

Folklore & Uses: Used primarily for warding off or absorbing negative energies. Known as the Force Field Stone. It should be worn on the projective side of the body or placed on the right side of a desk in the work place, to ward off oogies. If it's your own negativity, use on receptive side to absorb it. It works like the rune Thurisaz. It can also be used for grounding, although there are better choices. See Hematite.

Sized: Mini Rough Pieces. Excellent Value. Ideal for use as a Pocket Rock. Approx. Size: .25" - .75" grit

* As you may know, crystals can come in a variety of shapes, sizes and colors - each piece is composed of various minerals which depending on the pockets during the tumbling process some may be colored differently. It is truly amazing that these beautiful items come from mother earth herself. We take great care in sizing and pricing our crystals and will work to ensure that the right crystals find their way home to you! Sizes and coloring may vary.
