Description

Illustrated poems bring to light the Pagan Path, with each letter featuring a Wee Witch learning about the wheel of the year, tools of the Craft, rites of passage, faerie friends, and meaningful colors. This is a helpful and affirming tool for Pagan families, as well as an appealing collection of subtle, educational light verse for their budding Wee Witches, including A for Acorn, M for Maypole, and S for Spiderweb. Accurate symbols of Witches' worldview are woven throughout the magical artwork, as well as hidden clues to a secret "Witch Name" revealed at the end of the book
