Description

This is an inspiring guide for those who seek to reclaim the ways and lore of their ancestors. Witchcraft and the Shamanic Journey reveals the spiritual experience at the core of the world's religious traditions—shamanism. Johnson has uncovered compelling evidence for the existence of a variety of ecstatic traditions throughout medieval and Renaissance Europe—regional cults that survived into the so-called "Burning Times," when their members were ruthlessly persecuted as Witches.

- Discover the secrets of the shamanic "otherworld" and what it looks like
- Initiation rites
- Secrets of totem animals
- Traveling in the Spirit
- Origins of the Sabbat
- The truth about the "Flying Ointment"
- The Wild Hunt
- Technique to journey to the Land of the Dead
- How to find your animal totem
- How to find your tree of power
