Description

Do they possess powers to heal and see our futures? Travel through a history of witchcraft and meet mothers and fathers of the Craft who fought for their civil rights and recognition for Pagan religions. Learn about Pagans, Wiccans, and witches. Glimpse the lives of famous witches: Gerald Gardner, Sybil Leek, Laurie Cabot, and others who laid the groundwork for respect that witches have today. Learn spells and crafts from Elders and modern-day witches; see rare interviews and newspaper clippings. Read the injustices that happen today and how you can make a difference for witches, Pagans, and Wiccans today. Don't talk about religious freedom, understand it.
